

# ATHENS CONEY ISLAND

Athens Coney Island has been a famous cruise spot serving freshly prepared in house recipes that have been recognized by generations of local families since September of 1964.

From our in house prepared soups and chili to our 14% butterfat hand made shakes and malts to our sinfully delicious rice pudding (our family's secret recipe). Athens has always been a part of your family.

Due to our loyal family of guests, we have grown from a 15 seat Coney to a Classic 50's Diner of 100 seats (August of 2002).

Thank you from the Mitchell Brothers and the entire Athens family.

Buns	Poppy Seed Buns	
Chili for	<b>The rest of the materials:</b>	
15 dogs	Spear Pickles, Sweet Pickle Relish,	
25 dogs	Onion and Tomato, Sport Peppers and	
100 dogs	Celery Salt	

**Cook your franks on an outdoor grill (bring out the hickory smoked flavor!) or inside on a pan-cake griddle, a fry pan or baked in the oven. Hold our special spiced Chili in a crock pot or in a double boiler; add a little water if chili is too thick. A direct flame will stick and burn the chili to bottom of pan. Steam your buns by microwaving a few seconds. The mustard first, then the chili, and fresh chopped onion on top. Enjoy!**
